

AREA	Those portions of Sutter and Yuba Counties within the exterior boundaries of: (1) the Feather River Wildlife Area, (2) and the Sutter Bypass Wildlife Area, (as defined in Section 550, Title 14, CCR). See attached maps.
REGULATIONS	<p>This either-sex hunt shall be open from September 28, 2003 through December 31, 2003.</p> <p>Tags are valid only for the type of deer designated on the tag. Antlerless deer are defined as female deer, fawns of either-sex other than spotted fawns, and male deer with an unbranched antler on one or both sides which is not more than three inches in length. Either-sex deer are antlerless deer, as described above, or legal bucks that have two or more points in the upper two-thirds of either antler. Spike bucks may not be taken (Section 204(d), Fish and Game Code).</p> <p>Bag limit shall be one either-sex deer per tag.</p> <p>Immediately after killing the deer, the tag shall be attached to an ear of an antlerless deer or to an antler of an antlered deer.</p>
GENERAL INFORMATION	<p>Habitat on the wildlife areas varies from mature riparian forest with tall cottonwood, sycamore, and willow trees to grassy fields. The understory consists of blackberry, wild rose, and wild grape. Wildlife such as beaver, river otter, ringtail, opossum, raccoon, quail, wild turkey, and deer are abundant.</p> <p>For more information, contact the Yuba-Sutter Wildlife Biologist at (530) 743-5068 or the Department of Fish and Game, Sacramento Valley Central Sierra Region at (916) 358-2877.</p>
